TO WHOM ARE YOU LISTENING?

If you haven't noticed, there are always folks who will tell you what you need to be doing, thinking or who you need to follow after! From commercials on TV and radio, to social media, to perhaps even friends and family members—everyone is ready to give advice on everything!

However, there is a little saying that has stuck with me through the years that I share with you this month and it just might be an encouragement as you seek to discern which route works best!

*I'm learning to listen,
And
I'm listening to learn,
And
I'm learning to lean
On Jesus!*

Sometimes I feel a little amused as I read the Gospels and see how impetuous Simon Peter was at times when they didn't know what to say, but he felt like he had to say something! We will do well if we learn to listen to what Jesus has to say about any given issue or situation.

We will also demonstrate true wisdom when we listen with the intention of learning from Him and applying what He has to say to whatever we are facing.

And we will gain much from learning to lean on Him for strength, rest, wisdom and how to practically live out His lessons we learn while listening, learning and leaning on Him!

As you transition from the school year to the summer activities with VBS, camps and mission trips—and don't forget vacations—don't leave out this little verse that will keep you fresh with Jesus and His guidance and restoring grace each day as it comes! His grace, mercy and love are, as the Scripture says, new every morning, and like the manna in the wilderness, can't be stored up for another day! Listen to, Learn from and Lean on Jesus each day and you will be blessed indeed!

May the Lord bless you and yours with a great and wonderful summer!

I'm so glad to be your DOM,
Glenn
