

We are Closing In on Operation Andrew (April 19th-25th)

At the beginning of our partnership with International Commission we made a pledge to pray for virtually anything, any person, and any church involved in Operation Andrew (April 19th-25th). We have done that. Even Saturday, a week ago when our Pastors and Wives gathered at Waples Baptist Church for a morning of prayer we covered Operation Andrew.

Now that we find ourselves with less than thirty days remaining before the missionaries hit the ground in our Association it's important to "step-up" our prayer efforts. Even if your church is not participating with this evangelism campaign, please pray for those who are involved. Pray for Bear Creek Community Church, F.B.C. Glen Rose, F.B.C. Lipan, F.B.C. Thorp Spring, Happy Trails Cowboy Church, Lighthouse of Tin Top, Primera Iglesia Bautista, Simple Home Church, Southside Baptist Church, and Waples Baptist Church. Here is a list of what we should be praying for:

Pray about schedules, travel, logistics, weather and final details.

Pray about good health and safety for all participants in our churches and those who are coming from International Commission. Pray about attitudes, leadership, confidence, and boldness.

Pray about people who are negative and pray about cooperation.

Pray for understanding and excitement. Pray that God will draw people to HIMSELF, including ourselves.

Pray that we will see God do what only HE can do in reaching the lost.

Pray that we can fulfill the Great Commission of Matthew 28:19-20.

In this edition of "The Beacon" you will find several articles from I.C. Missionaries about how their lives have been blessed through their human efforts; but most of all because of the Divine blessings from GOD. Exciting news will be in the May Edition of "The Beacon" as we report the results of what has happened in our beloved Paluxy Baptist Association.

GOD bless You, Please Pray for Operation Andrew

Boots Hubbard, DOM

Paluxy Baptist Association
