

**"For we do not have a high priest who is unable to sympathize with our weaknesses, but One who has been tested in every way as we are, yet without sin. Therefore let us approach the throne of grace with boldness, so that we may receive mercy and find grace to help us at the proper time."
Hebrews 4:15-16**

Where does the time go?

It just seems like yesterday, we were talking about and praying for youth camps, vacation Bible schools, and mission trips. Now, all the talk is about "back to school" sales and activities; all based on the changing of the seasons.

Many things we do at your association office have to do with the changing of seasons. For instance, at this time of the year we always put together a "proposed budget" for the association council to pray about prior to presenting it at our annual meeting.

Speaking of the annual meeting, we are in the early stages of advance planning for this year's annual meeting, which will contain quite a few changes. As an example of a change, for the first time we are going to have the annual meeting on a Sunday afternoon. Date and Time: Sunday, October 18th, 4-6 pm to be held at Lakeside Baptist Church. We have decided to move the annual meeting to a late Sunday afternoon meeting time in order to give the messengers, Pastors, especially our bi-vocational pastors the opportunity to participate in the entire event. Please, remember to register your church's voting messengers by calling our office. Also, please pray that our annual meeting will be impactful for all who are involved.

This time of year we are examining possible dates for P.B.A. events that will happen next year. Generally, we plan now for The Women's Gathering, the Men's Rally to be held in January, and this year for the first time we are praying about being the host for a pastors' conference to be conducted by The Blackaby Ministries International. Our association has the distinct privilege to coordinate a two-day event with Mel Blackaby serving as the lead preacher. It should be an exciting opportunity for renewal for our pastors. Tentative dates are April 23-24, 2027. Would you please pray about this new and exciting ministry?

God has blessed us with more and more avenues of ministry, but with that happening we must always seek God's direction and His will as we yield to His plan, and not our own. Please understand that we are not attempting to jam the calendar with more and more events that do not produce tangible results that God desires and that our churches deserve. It is simply our goal; to serve the needs of our local churches, in such a united way that the church and the community in which each church has been entrusted come to realize the full and amazing plan of God.

It is a privilege to work with you in these united efforts to advance God's Kingdom.
