

## **Annual Meeting for Our Association-Just Around the Corner**

Since 1880 the Paluxy Baptist Association has existed to support the participating Churches with a solid foundation for the purpose of advancing the Kingdom of God. Literally hundreds of dedicated men and women have given of their time and talents to engage in the work of the Association. As times have changed, the role of the Association remains the same; “to recognize and honor the local congregations in their missions and ministries.”

The major decisions of the Association are presented during the annual meeting of our Churches, which will be held on Monday, October 21st. This year's meeting will be hosted by Waples Baptist Church. Waples is located at 1200 Temple Hall Hwy. The sessions will begin at 5:00 PM, dinner will be at 6:00, and our final session begins at 7:00 PM. Come see what GOD is doing in our churches, and with our Ministry Partners.

During our Annual Meeting we will be challenged to follow GOD as HE pulls us forward to new areas of ministry. We will conduct the meeting in the spirit of Acts 2: 41-47. As we gather, we will find that GOD is interested in our collaboration, and our united prayers. We will join together and work together in our efforts to strengthen the 'bride of Christ', while not sacrificing the autonomous spirit that each of our Churches enjoy. We will gather to collectively say “Thank-You” to GOD for allowing us to work together to further HIS plan, provision, and purpose for the Paluxy Baptist Association.
