

## Imagine Church

(By Guest Author)

A new church has been planted in Cresson, Texas. Imagine Church.

This church is based off of the passage, “Now to him who is able to do far more abundantly than all that we ask or think, according to the power at work within us, to him be glory in the church and in Christ Jesus throughout all generations, forever and ever. Amen.” Ephesians 3:20-21 ESV

What is “it” that God can do more than we can think? It is the salvation experience of saving Jews and Gentiles (Eph.1-3). It is the fact that God in Christ can and will save anyone who places faith in Him.

That is our mission. We want to see people come to the Lord in Cresson, Godley, and Granbury. “Our passion is to glorify God by making disciples of all nations.”

We are excited to build on the legacy and work of other churches before us. FBC Cresson, Red Door Church, Crossroads Community Church, and now Imagine Church have occupied the building at 200 South Crook Street. That building in part goes back to the 1890s /1910.

We have already baptized two people. We had a Resurrection Sunday attendance of 75 people. We had 40 last Sunday. God is on the move. He is doing a new work, a new thing, in Cresson.

Can anything good come from Cresson? Of course, yes. The Brazos BBQ is a not so hidden gem. The Race Track is another excellent thing in Cresson. Cresson has often been known for the “Cresson train.” Now we are known for the bypass. People are moving into Cresson. The word on the street is housing is booming in Cresson.

Can anything good come from Cresson? Yes, for sure, but one thing is our passion. We want to make Jesus' name known in Cresson. I know some will say, “churches move in and move out.” That may well be true, but the Church never dies. It is never about the building but is about people.

We are excited to partner with Boots Hubbard and PBA. He has been a brother beloved to us. We hope we can be a blessing within the association as we partner to bring people to Christ and make disciples.
